Have you ever wondered what it would be like to be trapped with an enemy who is intent on taking your life and at the same time be surrounded by thousands of jeering onlookers? No escape, no surrender. Humiliation and death or survival and murder? And so we have Gladiator. Tuomas sets the game rules and leads the way with two contrasting battle stories. Meanwhile no less than nine other foolhardy contestants have also taken on this lose/lose challenge. Each one has stepped up and drawn their finest weapons with some resorting to nothing more than fists and teeth. Listen and judge for yourself, who will survive and who will perish. But imagine this, what if all of life is like the choice of the Gladiator? Kill or be killed, murder your innocent adversary or simply roll over and let it end.

Gladiator (Original Version) ▶

Fantastically hard metallic weaponry set to a sinister backdrop of atonal armour.

Gladiator (Gladiator at the Colosseum Version) ▶

With less thrust this alternative version really sets the battle scene and draws you in. Who will win?

Gladiator (Akkya Remix) ▶

Akkya takes down the whole arena with this deep, dark stomper full of cold images vs warm chords.

Gladiator (Andrei Morant Remix) ▶

Ultra smooth minimal tech from Texas's Scope Recordings label boss. Watch out for the killer clap!

Gladiator (Daz Furey Remix) ▶

Daz enters the battle zone with an array of strong and alternative weapons that easily put the enemy to flight.

Gladiator (Nelman Remix) ▶

Who would dare enter into warfare against the mighty Nelman with his thumping drums and hypnotising progressions?

Gladiator (Patrex Remix) ▶

A slow builder but do not be fooled, this one has lightning fast reactions. Approach with caution if you value your sonic vitality.

Gladiator (Ross Harper Remix) ▶

Feel the fear of entrapment. In the world of the Gladiator it is kill or be killed, do or die. Maybe to lose is best?

Gladiator (Tosi Remix) ▶

All that live fear and respect the great Tosi Remix. Its thunderous lows and searing highs hold no mercy. Champion!

Gladiator (TWIST3D Fight Remix) ▶

TWIST3D sets the scene and then devours his enemy with taunting voices and cold drawn out stabs. Ouch!

Gladiator (Xilinx Remix) ▶

Darkness, bones and mind disease are Xilinx choice weapons. Chaos is thrown and then divine justice strikes.
